JOHN DEERE & OTHER TRACTOR DVDS

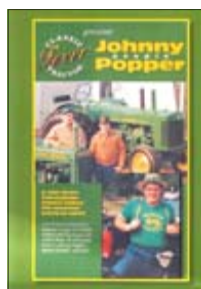

## JOHN DEERE TWO-CYLINDER TRACTORS

Starting from the Froelich and the Waterloo Boy, Michael Williams shows all the principal machines of John Deere's forty years of two-cylinder tractors. This DVD comprises what were originally two volumes of videos produced by Farming Press. The first half includes the bulk of the lettered series, all the changes up to 1938 and the introduction of the 'styled' versions. The second half deals with the last of the older series tractors identified by a letter, follows this with several of the numbered models from the 1950s and goes into the age of the diesel.

The programme is built around interviews with the owners of the lovingly restored machines in the United States, Canada and Britain

## VINTAGE GARDEN TRACTORS

The garden tractors in this video span from a mid-1930s Gravelly Model L and Swiss-built Simar Rototiller to machines from the mid-60s such as Crawley, Winget, Ransomes MG 40 and David Brown 2D. Among old favourites there is a range of Trusty tractors, as well as examples of British Anzani, BMB, Rowtrac and Howard Rotavator. More unusual machines include the Wrigley Motor-hoe (with its engine inside the wheel), Auto Culto Midget and Newman WD2. Together, the fifty models are a representative sample of the varied and interesting pedestrian-controlled and ride-on garden tractors that took market gardening out of the era of the spade and horse. The DVD was recorded at Vintage Horticultural and Garden Machinery Club working days with all the machines in action ploughing, cultivating or preparing a seedbed 60 mins #0590 NZ\$49.95

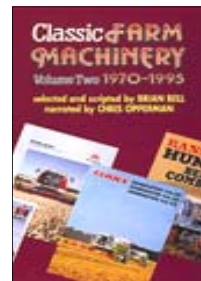

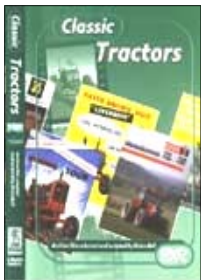

## CLASSIC FARM MACHINERY VOL. 2 1970-1995

The second of a two-part series, this superb compilation of archive film selected by Brian Bell covers the period from 1970 to 1995.

It shows the continuing advance in mechanisation from the 1970s, in archive film from most of the well-known manufacturers, illustrating the influence of new technology on equipment for ploughing, cultivating, drilling, spraying and harvesting. Original footage from the period shows the emergence of ever more powerful machinery with electronic controls, and footage from the 1995 Power in Action demonstration at Otley completes the story 58 mins #0508 NZ\$49.95
