TRACK LAYING RECORD DVD

TRACK LAYING WORLD RECORD DVD

Tapanui, New Zealand 15th March 2008

NEVER before, anywhere in the world, has there been such a large gathering of Track Laying machines operating at the one venue. The record has well and truly been set!

This new DVD puts this event on record - if you want to see crawlers & bulldozers by the hundred, this is the DVD! 75 minutes of track layers, many being vintage dozers and crawlers.

Caterpillar, Allis-Chalmers, John Deere, Cletrac, Fordson, Fiat, International, Ferguson, Oliver, David Brown, Case, Hydraulic Diggers & many other machines.

From the very first crawlers in New Zealand, countless D2s & BTD6s to massive D8s, - from the old to the more modern machines. Just over 500 all up. From nicely restored machines to well looked after crawlers, obviously still in use.

Fortunately the organizers saw fit to have this event recorded on this action DVD, which comes with a **Bonus Photo CD** containing **270 superb colour photographs** of the crawlers, dozers and the transporters - if you were unable to get to the event, here are your photos!
