HOLDEN MONARO 1968-2004

by Ewan Kennedy

This book uses reproduced material from contemporary magazines and some text from "Spotlight on Holden Monaro" by Tony Davis to make up this complete history of the Holden Monaro from the first HK models in 1968 to the reborn V2 and VZ models of 2001 to 2005 and their Pontiac GTO derivatives. Due to the limitations of the original material used in the reproduction process, some of the magazine articles and photographs are slightly fuzzy, but this does not detract from the stories told. It is a fascinating story and this book is a must buy for any fan of Holdens, Monaros or Australian classic cars. Author: Ewan Kennedy. Softcover, 200 pages, Illustrations: Black & white and some colour photographs, mostly reproduced from magazines and brochures.
