PLOUGHING DVDS

VINTAGE MATCH PLOUGHING SKILLS

Society of Ploughmen training video, two British ploughing champions show how to use both tractor-trailed and mounted ploughs correctly, in particular for vintage ploughing competitions.

Ken Chappell MBE, demonstrates the use of the mounted plough, including the opening, ploughing & the finish.

Michael Watkins applies his skills to the trailed plough, again showing all the key elements of a competition plot. Michael won the British National Vintage Ploughing championship at his first attempt in 1998. Beside the specially filmed plots, the programme includes major sections on how to identify and correct ploughing faults as well as the basic settings and adjustments of vintage ploughs.

PLOUGHS & PLOUGHING TECHNIQUES

This comprehensive guide is for those using or interested in commercial ploughs and ploughing. Beginning with a review of types and makes of multi-furrow plough, the video then follows the preparation and field procedures involved in good reversible ploughing. Modern ploughs and available accessories are shown before we move into the farmyard where ploughman Keith Williams prepares and adjusts his plough for work. Ploughing techniques including headland marking, field procedures and the fine-tuning of adjustments are covered in detail.

Attention is also paid to the common ploughing faults and how to rectify them. Includes with film of the British National Ploughing Championships which gives an insight into the skills and precision of match ploughing using both conventional and reversible ploughs.
